

Heighten Guest Experience & Leave a Positive Impression

The GOJO Programme for Hotel Rooms.

Dispensers and refills for hotel rooms.

The Perfect Solution for Your Guests and Your Business.

- **Easy maintenance:** Inspection window allows you to see when the refill needs replacing and patented dual membrane pump ensures a drip-free dispensing system.
- **Sustainability:** The soft controlled-collapse refills automatically collapse whilst emptying, reducing waste by approximately 40%. Our soft bottles are made of 100% recyclable plastic.
- **Hygiene:** The product inside the refill is protected from contamination as it is factory sealed and includes a fresh nozzle with each refill, ensuring the product never has contact with external substances or the air.

PREVEN'S® PARIS Grenade shower lotion has been certified with the European Ecolabel for reduced environmental impact throughout its life cycle – from the extraction of raw material through to production, use and disposal.
